

CONTENTS

	INTRODUCTION	9
1.	THE RESEARCH PROBLEM	11
1.1	Research Proposal	12
	Background to the study	12
	The Study Case: the city of Córdoba – Argentina	13
	Problem Statement and Hypothesis	
1.2	Premises or assumptions	18
	Overall problem statement, subproblems and hypothesis	18
	Objectives	19
1.3	General objective	19
	Particular objectives	19
	Research Methodology	20
1.4	General Methodological Framework	20
	The empirical circle: spatial scale of analysis	20
	Methodology for Subproblem 1	21
	Methodology for Subproblem 2	22
	Methodology for Subproblem 3	23
1.5	The organisation of the book	23
	Notes	25
2	GLOBALISATION AND URBAN TRANSFORMATIONS	27
2.1	Globalisation: some definitions	29
2.2	Globalisation and urban society	32
	Social changes, unequal development	32
	Demographic demands, lifestyles and changes in housing requirements	37
2.3	Urban restructuring and social changes	38
	The physical and social dimension of urban restructuring	38
	Spatial changes in Latin America	40
	The process of urban sprawl in North American cities	41
	Suburbanisation and urban sustainability	43
	Segregation: some definitions	45
	Is fragmentation an expression of segregation?	48
	Suburbanisation, segregation and land markets: Which are the links?	50
	Notes	52
3	SPATIAL PLANNING	55
3.1	Spatial Planning and Urban Development	57
3.2	Critical revision of approaches on spatial planning and urban growth applied in Latin America	58
	Urban policy and Spatial Planning in the Modernisation period	58
	Spatial Planning in transitional period	61
	Urban policy and Spatial Planning in the Neoliberal period	61
3.3	The new paradigm: from normative planning to strategic planning	67
	Decentralisation and Strategic Planning in Argentina	67
	Characteristics of Strategic Plans in Argentinean cities	69
3.4	The debates on spatial planning and urban growth	70
3.5	Strategies and instruments to achieve equity objectives in spatial planning:	73
	Toward spatial equity in urban growth	
	The Intervention of the State in land markets	73
	The Structure of Land prices	74
	Land Policy	76
	Measures to capture Urban plus values: an effective instrument?	77
	Notes	78

4	THE CITY PROFILE, INVESTMENTS AND MAIN TRANSFORMATIONS IN CORDOBA (1991-2001)	81
4.1	Introduction	83
4.2	Geographic aspects of the city	83
4.3	City Role and economic profile	84
4.4	Historical foundation	85
4.5	Political division and government	88
4.6	Urban structure	88
	Access routes to Córdoba and main road system	88
	Road Network	89
	Urban areas and land uses	90
	Summary of the historical development	92
	Infrastructure networks	94
4.7	Social profile	94
4.8	Investments and main transformations in Córdoba (1991-2001)	95
	A favourable national context for economic opening	95
	Sectoral destination of foreign investment in Córdoba	96
	Municipal investments in urban development	97
	Spatial changes (effects on the urban form)	97
4.9	Distribution of real estate investments in the city	100
	The impact of suburban-gated communities	100
4.10	Concluding Remarks	101
	Notes	102
5	THE PROCESS OF URBAN SPRAWL IN CÓRDOBA (1991-2001)	103
5.1	Introduction	105
5.2	Demographic dynamic in Great Córdoba as a context	106
	The lack of legal instruments to promote unified urban policies in Great Córdoba	107
5.3	Population Growth in Córdoba Municipality (intra-spatial dimension)	110
	Urban sectors that increase or decrease their population in the period	110
	Analysis by sectors (urban fractions)	111
	Central area	115
	Intermediate city area	116
	City periphery: Urban sprawl in the administrative area of the Municipality	118
5.4	Urban area annexed (1991-2001)	122
5.5	Land market supply	127
	Where does urban land supply take place?	128
	Urban land values in Córdoba City	128
	Urban land supply in Great Córdoba towns	131
	Relationship between urban land values and average family income by deciles	133
5.6	Concluding Remarks	134
	Notes	136
6	SEGREGATION IN CÓRDOBA (1991-2001)	139
6.1	Introduction	141
6.2	Segregation in Córdoba Municipality	142
	Is Córdoba a segregated city?	142
	Urban poverty: analysis by measuring unsatisfied basic needs	147
6.3	Concluding Remarks	152
	Notes	152

7	MAIN TRANSFORMATION IN THE CITY-BORDERS: urban fragmentation	153
7.1	Winners and losers: spatial fragmentation in Córdoba (1991-2001)	155
7.2	Types of residential interventions in the city periphery	156
7.3	Real Estate developments (gated communities)	158
7.4	Housing policy for subsidised sectors	165
	The Community Enablement policy component	166
	Description of interventions	166
	Why do these areas become urban fragments?	172
7.5	Concluding Remarks on spatial fragmentation	174
7.6	The relationship between sprawl, segregation and urban fragmentation	175
	Notes	177
8	SPATIAL PLANNING. DICHOTOMIES IN A CONTEXT OF SOCIAL INEQUITY	179
8.1	Introduction	181
8.2	Spatial Strategies to guide urban growth: a critical review of the ideas developed in Córdoba	182
8.3	From Urban Policy to contain growth to a more flexible approach to growth.	187
	Development of residential projects in the city periphery: changes in the normative framework	187
	Planning regulations for gated communities	188
	Planning regulations for subsidised housing	190
8.4	Sprawl and Planning: structural factors	191
	New residential areas as a result of changes in land-uses	192
	Divorce between planning and social housing system	198
	Location of social housing and strong social segregation trends	199
	The effects of urban sprawl on some public services provided by the community	202
	The effects of changes in land uses on land-values	207
8.5	Concluding remarks	208
	Notes	210
9	STRATEGIC LINES OF INTERVENTION	213
9.1	Introduction	215
9.2	Strategic lines of intervention	216
	From urban planning to regional planning	216
	From sectoral planning to integrated planning	217
	A shift from zoning to strategic planning	218
	From top-down policies to the co-production of city planning	219
9.3	Possible instruments to be applied to remove socio-spatial inequalities in the process of growth	220
	Land policy: changing the role and instruments	220
	Challenges on Housing policy approaches toward spatial equity	222
9.4	Final remarks	225
	Notes	226
10	DUTCH SUMMARY	229
	BIBLIOGRAPHY	233
	LIST OF TABLES	241
	LIST OF GRAPHICS	242
	LIST OF PHOTOS	243
	ACKNOWLEDGMENTS	245
